

Object: Internship offer

France, 09/06/2016

ERLAB is a **French company**, world leader in developing air filtration technologies for the protection of laboratory personnel, looking for a Polish student to do a business development internship in our headquarters in France.

We are currently looking for a student speaking Polish and English (French will be appreciated). The student we are looking for could be coming from the scientific field or Economy/Business/Marketing/Management.

In fact, our goal is to increase our market share in Poland. Our product are destined to laboratories in any kind of Industries (Pharmaceutical, Cosmetic, Food, Chemistry etc...) but also Universities and Research Centres.

The starting date and duration of the internship is to determine according availability of the student.

*If you are interested by this offer please send you CV and motivation letter to:*

**Mrs. Julie JAFFRÉ**

Deputy Director European Sales

**ERLAB DFS Sas - France**
