

## About Us

Rudzki & Jones is a niche law firm dealing predominantly with litigation in the UK. The majority of our clients are Polish citizens living in the UK but we also deal with cross border matters as and when we receive instructions from Poland.

Our aim is to deliver a high quality service to our clients and this involves ensuring that we communicate how UK law operates in a manner that our clients find easy to understand.

## About the Role

We are able to offer a unique opportunity for you to gain experience of operating in a foreign legal jurisdiction but with the comfort of knowing that the majority of our clients are also Polish nationals.

Your interaction with the UK Legal System and the Polish Community will provide you with an ideal opportunity to improve your English Skills and your legal knowledge, whilst being supervised by the Senior Partners in the firm. Although our offices are based in the East Midlands, our clients are based all over the UK, many of whom are based in London where we operate a satellite office in co-operation with another Polish Law Firm. Therefore, there is significant scope for travel around the UK.

The role is available immediately. Please see our website at [www.rudzkiandjones.co.uk](http://www.rudzkiandjones.co.uk).
