coordinator: Jakub Bornio jakub.bornio@uwr.edu.pl
2/19/2024 11:00:00 AM
Address: St. Koszarowa 3, building 21 51-149 Wroclaw
Remarks: Second condignation, right wing.
<p>Info: List of the courses: https://europeistyka.uni.wroc.pl/Students/Courses-offered-by-the-Chair</p> <p>Courses Enrolment</p> <ol style="list-style-type: none">1. Am I still able to join? Our offer remains open until the second week of the winter semester. Please, remember that you can still modify your Learning Agreement.2. How to enroll? Our Department does not have any specific enrolment IT system. If you are interested in a specific course, you should contact the teacher who conducts it. We recommend writing an introductory e-mail and coming to the first classes. Then, the teacher writes down your name and share it with the administration office. They assign you to the course in the USOS system. Simple as it is. It is always wise to come to the first classes just to meet the professor, and check the programme and the passing requirements. Remember to use the e-mail address in the uwr.edu.pl domain while contacting professors.3. Who do we accept? Each course has approximately 20 free slots for the Erasmus+ students. It does not matter whether you are doing your Erasmus+ under the umbrella of the bilateral agreements signed by our Department or another one. We accept all students from the University of Wrocław. All the courses we conduct are part of the MA in European Studies programme. Nevertheless, we accept both BA and MA students.4. Is it obligatory? Please remember that this is just an offer, not an obligation.5. Remember to check your email boxes regularly. Outlook is available on Android and IOS.
